	54 th Nordic Polymer Days	19 th to 21 st June, KTH, Stockholm
	11 th International Workshop on Silicon-Based Polymers (ISPO)	2 nd to 6 th July, Snekkersten, Denmark
	Strategies for Better Thermal Data (TA Instruments Seminar – including interactive session)	18 th May, Kolding
		7 th September, Luleå

A number of additional Technology Tours within Thermal, Microcalorimetry and Rheology are not announced in this overview. The Technology Tours is where TA Application Specialists will visit selected users to discuss applications, technical matters, instruments and/or software. Please come back if you would like to hear more about them.

If you find no suitable dates and/or if you are interested in other topics than listed, then check-out the course overview for Benelux and UK & Ireland.
